

# SMSU School of Education Partnering Schools for Teacher Candidate Clinical Experiences

Contracts typically run August 1<sup>st</sup> through July 31<sup>st</sup> for a term of 5 years.

Information shared with Partnering Schools via contracts/agreements, training materials, manuals, and handbooks:

- Expectations for the candidate during a clinical experience.
- Responsibilities held by the school partner during a clinical experience.
- Grounds for removing a candidate from a clinical experience and the process for removal.
- Identifying cooperating teachers who model effective instruction, including the use of state academic standards or, if unavailable, national discipline-specific standards and culturally responsive teaching.
- Training on the cooperating teacher's role, program expectations, candidate assessments, procedures, and timelines.
- Ensuring cooperating teachers during student teaching and practicum have at least 3 years teaching experience as a teacher of record in the licensure area; holds a professional license aligned to the assignment; has completed professional development in coaching strategies for adult learners; and meet all other requirements set forth in state statute.
- Ensuring each cooperating teacher during a field experience has at least 2 years of teaching experience; holds a Tier 2 license or professional license aligned to the assignment; and meet all other requirements set forth in state statute.
